WEISBURGER INSURANCE BROKERAGE

A Division of Program Brokerage Corporation

About Weisburger Insurance Brokerage

Weisburger Insurance Brokerage, a division of Program Brokerage Corporation, specializes in the Pest Control industry and works closely with the National Pest Management Association (NPMA) as the insurance broker of choice for its members. Since 1934, Weisburger has been the largest provider of insurance products and services to the Pest Control industry, servicing over 5000 accounts nationwide.

Weisburger, a full-service brokerage, offers an exclusive program developed for the Pest Control Industry with competitive rates and excellent coverage options.

Weisburger also offers a broad array of property, casualty, employee benefits and risk management programs to provide the Pest Control Industry with the following advantages:

- A team of experienced insurance professionals dedicated to understanding your business and challenges
- A complete working knowledge and understanding of the ever-changing insurance marketplace for the Pest Control Industry
- Access to the insurance products tailored to your industry including pesticide/herbicide coverage and much more
- Risk Management and Loss Control services

- Claims advocates in the event of a loss to process claims and expedite prompt and equitable settlements
- Technology Platform to help find solutions quickly

Comprehensive Coverage for the Pest Control Industry

The challenges our clients face are constantly changing and as such there is a greater need to take a comprehensive approach to risk management for the Pest Control Industry. From property and casualty coverage to employee benefits plans and more, Weisburger has the right insurance solutions to cover your business.
